

NH PEDIATRIC IMPROVEMENT PARTNERSHIP

A collaborative of public and private partners from primary care, state government, insurers, and academia with a mission to improve healthcare quality for all NH children through the use of systems and measurement-based quality improvement processes.

NH PIP MILESTONE TIMELINE

STRATEGIC INTENTS 2016-2020

Promote awareness of pediatric measurement, projects, and resources

Facilitate dialogue to identify and address pediatric priorities in NH

Conduct quality improvement projects
