

# Adverse Childhood Experiences (ACEs) and Social Determinants of Health (SDOH) Resource List

The NH Pediatric Improvement Partnership has been gathering key resources for addressing adverse childhood experiences (ACEs) and social determinants of health (SDOH) in pediatric primary care. Below are some resources that may be useful for a primary care practice interested in learning more about ACEs, SDOH, and the role of primary care. If you know of other available resources, please share them with us at [nhpip@unh.edu](mailto:nhpip@unh.edu).
